Those terrible enemies of human happiness, Rheun atism, Gont and Neuralgia, heretofore seemingly unconquerable, have indeed found their master in Jenkins' Anindeed found their master in Jenkins' Annihilator. We have the testimony of men of the highest standing in Louisiana and other States, that after suffering indescribable pains for years, from which they sought relief in vain by visiting the Hot and Warm springs of Arkansas and Virginia, and by using dozens of remedies more or less highly praised, when, in fact, hope had almost died out, they have found relief from pain by the use of the Annihilator, and by continuing it for a short time, have been perfectly cured. The Annihilator is a preparation purely vegetable, agreeable to the taste, and may be taken without fear of any injurious results by the delicate as well as the rebust in constitution.
